AGREEMENT:

We the undersigned hereby apply to American Intercultural Student Exchange (AISE) for selection as an AISE Host Family for the purpose of hosting an international exchange student in our home. We acknowledge that our final selection as a Host Family is not guaranteed but is contingent upon AISE's decision as to our suitability to serve as a Host Family.

In order to assist in this process we agree to cooperate by providing AISE with any information about our family that AISE may reasonably require. Before selecting us as a Host Family, AISE will consult with us and obtain our approval with respect to the exchange student whom it proposes to place with us.

If selected as a Host Family, we agree to:

1. Participate in AISE's orientation programs for Host Families and follow AISE's instructions and guidelines regarding the care of exchange students.
2. Assist in the observance and enforcement of AISE Rules and Regulations for Exchange Students (copy attached).
3. Communicate promptly to AISE information or change of circumstance concerning the exchange student or our family that may affect the well-being of the student or the success of the exchange experience;
4. Abide by AISE's final decisions concerning (a) the family placement of exchange students, including the length of time they remain; (b) the application or enforcement of AISE's Rules and Regulations for Exchange Students; and (c) the exchange student's arrival and departure time from the United States.
5. Abide by regulations requiring exchange students not to have a joint or shared bank account with a host family member, since such a bank account is for the student's personal use.
6. Observe requirements for exchange students to use pre-paid calling cards or collect calling for long distance phone calls; and
7. Otherwise cooperate with any other AISE request or decision that in AISE's opinion is necessary to ensure or enhance the well being of the exchange student or the success of the exchange experience.

Lastly, we agree to abide by all AISE rules and decisions and we realize that failure to do so can cause a student to be removed from a family and returned to his own country.

By signing this, you agree that AISE has permission to run a criminal background check.

DRIVING POLICY FOR AISE EXCHANGE STUDENTS

Dear Host Family:

Please NOTICE: Our AISE Exchange Students ARE NOT ALLOWED TO DRIVE A CAR OR MOTORCYCLE at any time during their stay in the United States.

The only exception to this rule is if the local high school allows the student to enroll and take the Theoretical and Practical Driver Education Program offered by the local high school for the sole purpose of obtaining an American driver's license. The student, the natural parents and/or legal guardians, and Host Family must sign the official **AISE DRIVER EDUCATION AGREEMENT AND RELEASE FORM** and follow the conditions stated therein.

If a student drives any car or motorized vehicle under any other circumstances than stated in the **AISE DRIVER EDUCATION AGREEMENT AND RELEASE FORM**, or should drive a car or motorized vehicle after having obtained a driver's license at any place, any time, and for any reason, the student will be returned to his/her home country.

To obtain this permission your student will bring the necessary documents to you. Once all parties involved sign the documents, the student may learn how to drive in your family car which is owned and INSURED BY YOU. The student may practice driving your family car provided he/she is accompanied by you, the Host Father or the Host Mother. Your son, daughter, relative, or friend of the family are not allowed to teach your student how to drive. **YOUR STUDENT CAN ONLY ENROLL IN THE SPRING SEMESTER FOR PRACTICAL DRIVING.**

Your student is to ask if your state law requires additional insurance for him/her to practice driving in your family car or if there are other expenses involved such as high school Driver Education Insurance or gasoline. If additional costs are involved, your student is to ask his/her natural parents to deposit that amount in your bank account prior to your student being permitted to practice driving in your family car.

If you approve that your student may participate in the high school's Practical Driver Education Program, AISE requests that you sign and mail the documents your student will bring with him/her, to the AISE National Office. No student is allowed to take the Driver Education Program until these forms have reached the AISE National Office in Lake Village, Arkansas.

Once your student has received the driver's license, your student is to give the driver's license to you, his/her Host Parents, for safe keeping until your student returns to his/her native country.

ANY AISE STUDENT WHO DRIVES AN AUTOMOBILE OR ANY OTHER MOTORIZED VEHICLE AFTER HAVING OBTAINED A DRIVER'S LICENSE, WILL BE RETURNED TO HIS/HER NATIVE COUNTRY.

I understand that our exchange student must wear a seat belt at all times when he/she is in an automobile, **whether he/she is in the FRONT or the BACK seat.** I understand that this is for his/her own safety and I agree to comply with this rule at all times.

Please sign to indicate that you understand and accept the above AISE driving policy, and that you understand that the final decision as to whether your student can participate in the Practical Driver's Education Program of your high school or not is entirely up to your discretion.
