## BANKING & TELEPHONE AGREEMENT

**No student will have a joint or shared bank account with his/her host family.**

Each student must open a private bank account for his/her own personal use. In the event the student encounters any problem opening an account, he/she should contact his/her Area Representative for assistance.

Host families allow students to use long distance services at their own risk. AISE is not responsible or liable for these charges and insists that **AISE students use a prepaid phone card for all charges, or make collect calls.**

Please sign and date this form and return it to your Area Representative.

By signing this form, we state that we have read and agree to the above statements.
